Bernice "BB" Czubachowski

June 25, 1937 - February 6, 2020

Bernice passed away peacefully at hospice after a brief battle with lung cancer. She was preceded in death by her husband Raymond Czubachowski, parents, Joseph and Veronica Poplawski and brother, Edmund Poplawski.

Bernice was a beautiful and vibrant person. She was at her best when making people happy. Bernice was in her element when entertaining friends and family. Whether it was a small soiree at home or a black tie gala. She also enjoyed hanging out with her friends at The Alliance of Poles (Circle 8 Club) which she had been a member for many years. Traveling, shopping and the smell of lilies also made her happy.

Bernice leaves behind 3 loving sisters; Elizabeth Tonkel, Sophia Mikolajczyk and Anna Wasylkowski; sister-in-law Alice Poplawski; and several nieces and nephews. Bernice also leaves behind her dearest and best friend, Jane Anspach and family.

Keeping with Bernice's wishes, there will be no services. Memorial tributes may be directed to the American Lung Association.
